Rules of Competition

If Football Brisbane engages a sponsor, a condition of entry into a Football Brisbane competition is that clubs are required to uphold any requirements stipulated in the sponsorship contract. Such requirements may include, but are not limited to, signage, the display of logos on club websites, the use of designated balls etc.

Football Brisbane will endeavour to ensure that any requirement by a sponsor has minimal financial impact and not impact on clubs' existing sponsorship contracts. At all times Football Brisbane will negotiate with clubs to minimise any disadvantage to a club's existing sponsorship.

2.1 Competition Structure

Football Brisbane reserves the right to decide on or amend the size, structure and composition of any competition.

If a Club fails to comply with a notice issued in accordance with this, or agree to a repayment plan with FB for the amount owed, FB may, at its sole discretion:

- Not appoint match officials in cases where amounts owed relate to the payment of match official invoices.

- Rule that Club (or the applicable Team(s) within that Club) ineligible to earn competition points in any Competition Fixture or Sanctioned Match in which the Club (or Team) plays, until the debt is paid;

In cases of severe weather, matches may only be postponed by the appointed match official at the match or by Football Brisbane upon advice from the HOME club prior to the match (as per [Section 10 – Wet Weather Procedures](#)). Matches will generally be rescheduled with a minimum gap of 48 hours from other scheduled/rescheduled fixtures unless both teams agree or Football Brisbane determines a match needs to be played and other options are not available.

If a match is postponed while both teams are at the ground, the teams should attempt to agree to a reschedule date at that time. Should an agreed date be settled on, both teams are to advise Football Brisbane of the agreed rescheduling (via email).

3.2.1 Rescheduling Process

Generally, postponed matches will be rescheduled by Football Brisbane for the next available “catch-up” weekend. If the next available “Catch-up” weekend is more than four weeks away, then the matches may need to be rescheduled as midweek matches as determined by Football Brisbane.

For matches needing to be rescheduled midweek, once requested by Football Brisbane, the HOME club has seven (7) days to respond with advice of their preferred option/s for rescheduling. The AWAY club must respond within seven (7) days from the date of advisement from Football Brisbane.

If the HOME club's preferred option is less than ten (10) days from the date of advice to Football Brisbane, the HOME club must supply a second option, which must be at least fourteen (14) days from the date of advice.. The opposition club has a right of refusal to a reschedule within the ten (10) day time frame. The AWAY club cannot

refuse a rescheduled match option that is at least fourteen (14) days from the date that Football Brisbane provides the advice.

In exceptional circumstances, clubs may request an exemption by sending a written request, outlining the reasons for the exemption to the Football Operations Manager for determination.

3.2.1.1 Penalties and Outcomes

- If the HOME club fails to provide a response within seven (7) days of Football Brisbane sending the request, the match will be awarded to the AWAY club with a 3-0 scoreline and the HOME club may be fined (See Appendix II).

The exception to this rule is a Reserve Goalkeeper (if marked as such on the match sheet). Any application for an alteration to scheduled fixtures shall be submitted via [FBgameday](#) or email to the Football Brisbane Football Operations Manager at least ten (10) working days prior to the scheduled fixture. Each request will be determined on its merits. Applications for alterations due to “social functions” (e.g. weddings, christenings, confirmations or other social and religious events) or “work commitments” will not be considered.

All requests for alterations must come through the Football Operations Manager at Football Brisbane.

Football Brisbane’s decision in regard to the rescheduling of fixtures will be final.

Any competition team with three or more players unavailable due to representative outdoor football duties, at Football Queensland/Football Federation Australia approved tournaments including state-wide school representative tournaments, will be entitled to have their fixture rescheduled upon application. Applications must be made at least fifteen (15) working days prior to the scheduled fixture.

Any team that wishes to forfeit a match prior to the scheduled day and time must notify Football Brisbane either by email (if prior to the day of the scheduled match) or by phoning the Football Operations Manager (if on the day of the match). Football Brisbane will then notify the opposition team and match officials.

Any team that is not ready to commence a fixture or finals match **by 15 minutes after the scheduled kick-off time**, (this includes the ground of the **HOME** team not being ready for play in the opinion of the match officials; ie the field must be correctly marked, with nets and corner posts up and goals anchored if required), will be deemed to have forfeited the match.

If any team claims such a forfeit they must contact the Football Operations Manager via email or [FBgameday](#) and outline the events which led up to the match not being played.

A team deemed to have forfeited may submit a request, within three (3) working days to Football Brisbane, if they believe the forfeit was caused by exceptional circumstances. Football Brisbane will review the request and make a determination. Football Brisbane's decision in regard to the forfeit will be final.

If any team forfeits a fixture for any reason on two or more occasions in the same competition season without satisfactory explanation provided in writing to Football Brisbane, they will be asked to show cause as to why they should not be withdrawn from the competition.

3.7.1 Penalties and Outcomes

Any match deemed to be a forfeit will be recorded as a 3-0 win in favour of the opposing team, with the points being awarded to the opposing team. The club of the forfeiting team will be fined per offence (See Appendix II) and may be subject to further disciplinary action.

3.7.2 Senior Competitions

In the BPL, BWPL and Capital Leagues, if a club does not have sufficient players to field a Reserve and First team, the First team shall take priority. Failure to do so will result in disciplinary action against the offending club and both the Reserve and First team fixtures will be awarded 3-0 to the opposition.

- If the team is withdrawn, removed or suspended before the competition has started and cannot be replaced, a bye in the competition will be substituted

- If the team is withdrawn, removed or suspended during the second or subsequent rounds, all points and goals acquired for the completed rounds will be retained by opposing teams and the recorded results for that team in the uncompleted round will be deleted and, if the team cannot be replaced, a bye in the competition will be substituted for the remainder of that round; if they cannot be replaced in the competition for the remaining round(s), a bye in the competition will be substituted for the remaining round(s)
- If Football Brisbane has doubts about the validity of any earlier round matches for a team withdrawn during the second or subsequent rounds, it may delete all results for that team
- Football Brisbane reserves the right to negotiate with the club of a replacement team as to the method by which the new team enters the competition at any point in that competition and how points are attributed to that team for the remainder of the season.

3.8.1 Penalties and Outcomes

The club of the team withdrawn will be fined (See Appendix II) and may be subject to further disciplinary action.

3.8.2 Senior Competitions

If the team to be withdrawn is not the lowest divisional team in the club, the club will be asked to show cause as to why it should be allowed to withdraw the higher divisional team.

3.9 Team Additions to Fixtures

If any team is added to a competition, then the following will apply:

Note – Points accrued in another competition prior to being added to a new competition will not carry over to the new competition.

- Where a competition is comprised of eighteen (18) fixtures:
 - If a team enters on or before Fixture 4 that team will replay any missed matches from those fixtures as required, and will accrue points for the entire season
 - If a team enters from Fixture 5 until the commencement of the second Round (Fixture 10) that team will not accrue results from those fixtures. However, the team will accrue points in the second Round,

 - If a team enters after the commencement of Fixture 15 that team will not accrue any points

3.10 Abandoned Matches

If the match official abandons a Football Brisbane match at half time or later, **then the match result will stand**, unless:

- One or both of the competing clubs request the match to be replayed, or
- The matter is referred to Football Brisbane for determination

All replay requests must be made in writing within five (5) working days of the match being abandoned. Any request after this time will be disregarded and the match result will stand.

Football Brisbane shall take into consideration the following when considering a request for a replay:

- Reasons why the match was abandoned
- Result of the match at the time of abandonment
- The impact on the final league standing of a fixture
- The impact on the finals series of a finals match

The decision of Football Brisbane will be final on whether to grant a replay. Any replayed match will be played in full. Any match abandoned before half-time will be replayed unless both teams agree to forego the replaying of the match or Football Brisbane determines that the match does not need to be replayed.

Football Brisbane reserves the right to determine the match result if it is satisfied that one (or both) of the competing teams, its players, officials, members or supporters were directly responsible for the abandonment of the fixture. This includes the abandonment of a match due to a team having less than seven players on the field.

3.10.1 Penalties and Outcomes

If it is determined that one team is responsible for the abandonment, the club responsible will be fined (See Appendix II).

Football Brisbane may decide to direct any of the following outcomes:

- The match be recorded as a 3-0 win in favour of the opposing team, unless the score at the time of abandonment was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team
- Impose a fine, suspend, expel or take whatever disciplinary action it deems necessary against the offending club(s), player(s) and official(s)

If it is determined that both teams are responsible for the abandonment, the clubs responsible will be fined (See Appendix II).

Football Brisbane may decide to direct any of the following outcomes:

- The match be replayed
- The match be recorded as "NO RESULT"
- The match be recorded as 0-0 draw
- Impose a fine, suspend, expel or take whatever disciplinary action it deems necessary against the offending club(s), player(s) and official(s)

Football Brisbane's determination on the outcome of any abandoned match shall be final.

Should Football Brisbane determine that a match is to be replayed, the provisions for rescheduling as outlined in [Section 3.2.1](#) will apply.

3.11 Goal Difference

If, at the end of the fixture competition, two or more teams in a competition are equal on points, goal difference shall be taken into account in determining:

- The Champions
- The teams eligible to play in the Finals Series in the respective divisions
- The teams to be promoted to a higher division
- The teams to be relegated to a lower division
- All other positions on the points table

In the case of teams having an equal number of points, goal difference will be used to determine the higher placed team. This shall be calculated by subtracting the total number of goals AGAINST from the total number of goals FOR in all fixture matches:

- The team with the higher goal difference shall be deemed to be the higher placed team
- In the case of goal difference being equal, the team having scored the most goals FOR shall be the higher or highest placed team

In the case of teams having an equal number of points and an equal goal difference and having scored an equal number of goals FOR:

- The team with the higher or highest number of points from matches played between the teams in question shall be the higher or highest placed team
- If the number of points is equal, then the team with the superior goal difference from matches played between the teams in question, shall be the higher or highest placed team
- In the case of goal difference being equal, the team having scored the most goals FOR from matches played between the teams in question, shall be the higher or highest placed team
- If the goal difference and goals FOR are equal, then the team that scored the most away goals from matches played between the teams in question, shall be the higher or highest placed team

If teams are still equal after taking into account all of the above considerations, the following will apply:

- To determine Champions or promotion/relegation positions, the clubs concerned shall play off one or more matches on neutral ground(s), the format, timing and venue(s) of which shall be determined by Football Brisbane

- To determine Finals Series positions - an official of each team will be required to meet with an official of Football Brisbane and lots will be drawn
- To determine all other positions on the table - lots will be drawn.

Playing Up in Finals

A player who is eligible to play in finals at a particular divisional level is eligible to play in finals in any team higher than that level without affecting their eligibility for their qualified level.

Exemptions

Clubs may apply to Football Brisbane for exemptions to the eligibility rules. All requests for exemptions must be made prior to the commencement of the Finals Series for each particular competition. Football Brisbane reserves the right to declare eligible any player it deems to have satisfied the intent and spirit of this rule.

4.2.5 Penalties and Outcomes

If a player is found to have participated in a match while in breach of the above eligibility requirements, the player will be deemed to be an ineligible player. Player Eligibility (All Competitions)

Rules of Competition

Football Brisbane reserves the right to investigate the eligibility of any player participating in any competition.

5.1 Registration of Players

Amateur players who have not previously registered under FFA in Australia for the current season are permitted to be registered at any time during the season.

Amateur players registered or re-registered after 30 June are **NOT** eligible to participate at Premier League (including Reserves), Capital League (including Reserves) or Brisbane Youth Premier League level (for the avoidance of doubt, players registered after 30 June are only eligible to play in the City League, Under 20, Under 18 Divisional, Legends and Junior Divisional Competitions).

Amateur players who have previously registered under FFA for clubs based in the Football Brisbane Zone (including NPL and FQPL clubs based in the Football Brisbane Zone) for the current season are not permitted to re-register with another club within the Football Brisbane Zone after 30 June each year. (NOTE: MiniRoos are excluded from this provision, ie they are permitted to re-register with another club to play MiniRoos at any time.)

Amateur players who have registered under FFA in Australia for clubs based outside the Football Brisbane Zone for the current season may apply to Football Brisbane to allow an exemption to register within the Football Brisbane Zone after 30 June each year. The decision of Football Brisbane will be final in considering any such application.

Exemptions

Clubs may apply to Football Brisbane for exemptions to these registration rules in exceptional circumstances. The decision of Football Brisbane will be final on whether to allow an exemption.

Professional players may only be registered during one of two Registration Periods each year. The first period runs from 1 January to the last Wednesday before the first fixture round. The second period runs for four weeks ending on 30 June each year.

Unless cancelled earlier, registration is effective from date of registration until 31 December of that year.

Any player not registered as per FFA National Registration Regulations and Football Brisbane Registration Procedures and Guidelines for the current season is ineligible and is not permitted to participate in any Football Brisbane competition.

Premier, Capital, City, Under 20, Under 18 & Junior Leagues

A player can only be registered with one club at a time. During the season, a player can register for a maximum of three (3) clubs and can play for a maximum of two (2) clubs in competition matches. (See Section 4.9 of the National Registration Regulations.)

Legends League

Players registered to play in the Legends League **ONLY** are not eligible to participate in other Football Brisbane Competitions. If players wish to play in both competitions, (Legends and Premier, Capital or City Leagues), they will need to register separately for each competition. If a player is registered to play in the Premier, Capital or City Leagues, they may register to play Legends League at a different club to their Premier, Capital or City Leagues registration.

5.1.1 Penalties and Outcomes

If a player not registered as per FFA National Registration Regulations and Football Brisbane Registration Procedures for the current season is found to have participated in a match, the player will be deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player will be fined (See Appendix II) and may be subject to further disciplinary action.

5.2 Suspended Players

Any player under suspension by Football Brisbane or any other Federation is ineligible and is not permitted to participate in any fixture until that suspension is served. This includes mandatory suspensions for yellow and red cards along with penalties determined by a Disciplinary Committee.

5.2.1 Penalties and Outcomes

Any player under suspension by Football Brisbane or any other Federation who is found to have participated in a match is deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player will be fined (See Appendix II) and may be subject to further disciplinary action.

5.3 Player Age Requirements

These requirements apply to all competitions and must be read in conjunction with all Player Eligibility rules.

As per the National Registration Regulations, all players are classified as “Junior” players until they attain the age of eighteen (18) years. Therefore, prior to competing out of their Designated Age Group, any junior player must have a PA01 completed by their parent or guardian.

The competitions below are age restricted competitions:

Womens Legends	Players born in the year 1988 or earlier
Under 20	Players born in the year 1998 or 1999
Under 18	Players born in the year 2000 or 2001

Under 14	Players born in the year 2004
Under 13	Players born in the year 2005

Where clubs have to combine age groups the following restrictions apply:

- The majority of players in the squad must come from the older age level (i.e. 50% + 1). Where this is not the case application must be made to Football Brisbane for permission to vary this rule. Football Brisbane’s decision on any such application will be final.

Football Brisbane reserves the right to withdraw from competition any team found in breach of these rules.

5.3.1 Playing Out of Designated Age Group (Senior Competitions)

Players are permitted to play up one age level in all divisions subject to ‘Composite Teams’ rules as defined in 5.3 with parental/guardian approval.

Any player requesting to play more than one year out of their age group must provide evidence of Exceptional Circumstances as defined in 5.3.3.

Playing Below Designated Age Group

In all instances of players wishing to play down an age group, clubs must submit a written application to Football Brisbane.

For players who are suited to a lower age group due to their physical and/or social sense, clubs must submit, a written application accompanied by supporting medical or educational evidence along with the Request to Play Outside Eligible Age Form (OEA-01) completed by their parent or guardian.

For players who were born late in the year (eg December), clubs may apply for them to play in the age group below. The application must include the requested player's name, age and age group they wish to play into and any specific reason for the request (eg team viability) along with the Request to Play Outside Eligible Age Form (OEA-01) completed by their parent or guardian.

If approved, Football Brisbane will then confirm the decision in writing to the club. Please note that until approval is provided, the player cannot participate in matches in the lower age group as an eligible player.

5.3.3 Exceptional Circumstances

The definition of Exceptional Circumstances in relation to the Player Age Requirements includes but is not limited to;

- a) Team Viability
- b) Documented skill level report from a Technical Director designated by Football Brisbane
- c) Advice from the State Technical Director

Clubs may apply to Football Brisbane for an exemption to these rules in exceptional circumstances. Any application must contain all supporting documentation. The decision of Football Brisbane will be final on whether to allow an exemption.

5.3.4 Penalties and Outcomes

If a player is found to have participated in a match while in breach of the above age eligibility requirements, the player will be deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team. The club of the ineligible player will be fined (See Appendix II) and may be subject to further disciplinary action.

5.4 Virtual Match Sheets

Virtual match sheets must list all players taking part in the match and be completed via [FBgameday](#). If a player has not been listed at the commencement of the match and has participated, the player's name may be added at any time up until the commencement of the second half of the match.

A team must not list more than sixteen (16) players on their Virtual Match Sheet.

If a team does so, any player(s) over and above the first sixteen (16) players listed is (are) considered ineligible.

The club of the ineligible player(s) will be fined per offence (See Appendix II) and may be subject to further disciplinary action.

All Other Competitions

5.5 Clubs with Teams in the Same Competition Division

If a club has two or more teams in the same competition division, players are only permitted to play for one team in that competition division. This does not preclude them from playing for other teams within the club in other competition divisions (subject to all Player Eligibility rules and the Player Age Restrictions.)

5.5.1 Penalties and Outcomes

If a player is found to have participated in a match while in breach of the above requirements, the player will be deemed to be an ineligible player. Should a club have any concerns over a player's identity they should submit a protest to Football Brisbane as per [section 5.7](#).

Should the protest involve the allegation of a player playing under another player's name, the protest should include a photograph of the player(s). An investigation into the protest will be undertaken as soon as possible.

In the event that the protest is upheld, the Penalties and Outcomes as stated in 5.7.1 below will apply. In the event that the protest is dismissed, then the match result will stand.

Player Eligibility (Senior Competitions)

In determining player eligibility in Senior Football (see relevant rules below relating to each competition), the previous table sets the appropriate order of rank for each league. Specifically, the highest rank league is at the top of the table.

The Legends League is a separate competition and is not part of the Senior Leagues Rank Order above.

6.2 Junior Competition Ranking

The Junior Competition as a whole, is ranked lower than the Senior Competition.

6.3 Player Transfers During the Season

If a player changes clubs during the season, then the “count” of matches played at a level does not carryover from their previous club to their new club. Therefore, there is no restriction on what division a player is able to take part in subject to the rules below applying at their new club.

This does not include Cup Competitions, where restrictions do apply if a player changes clubs – see relevant Cup Competition Rules.

Players may play without restriction between First and Reserve teams in fixtures.

All players will be classed as being graded into the team/squad where they play their first fixture match.

Clubs who wish to move players from one Firsts to Reserves, from one fixture match to the next fixture match may do so for a maximum of five (5) players. Grading, Borrowing & Regrading of Players (Junior Competitions)

Rules of Competition

7.1 Grading of Players

All players participating in Junior competitions will be classed as graded into the team where they play their first fixture match. Players can only be graded into one team at any one time.

In the event that a player is being borrowed by a team in their first fixture, the club will need to advise the Football Operations Manager in writing that the player is being borrowed and of the player's correct team.

7.2 Borrowing of Players

Registered competition players may be borrowed to play in equal or higher divisions and age groups provided that they have completed the appropriate Request to Play Outside Eligible Age Form (OEA-01), but may only do so for a maximum of four (4) matches within any Junior competitions. The maximum number refers to the total number of games played up and not to each team they may play in. Wherever possible, borrowing should occur from a team within the same age group.

A team playing in a fixture shall be permitted to borrow players from a lower division in that particular age group, or an equal or lower division in a lower age group (e.g. an U13 Div 3 team can borrow from an U12 Div 3 or lower team).

In the event that a club does not have a younger age team in an equal or lower division, but does have a younger age team in a higher division, the club must apply for dispensation to allow a certain number of players to be borrowed.

Players in Under 11 teams participating in the Komodo Dragons grouping are NOT permitted to be borrowed by teams in U12 Division 2 or lower. Teams in U12 Division 2 and lower are able to borrow from teams from the Under 11 Geckos and Goannas groupings.

In the event that a club is participating in more than one (1) junior competition within the same division (for example U12 Division 3 North and U12 Division 3 South), those teams will NOT be permitted to borrow between them. Additionally, where a club has two (2) teams in the same competition, those teams will NOT be permitted to borrow between them.

Players cannot be borrowed between gender specific teams and mixed teams.

Borrowing a player or players must not advantage the borrowing team's performance when compared with its usual squad.

7.3 Regrading of Players

7.3.1 Regrading Upwards – Brisbane Youth Premier League Players

If a player plays more than six (6) matches for any higher age group within the BYPL, that player is no longer eligible to play in their original BYPL age group (they are automatically regraded to the higher age group).

7.3.2 Regrading Upwards – Divisional Competition Players

If a player plays more than four (4) matches for any higher age group or division, that player is no longer eligible to play in their original age group or division (they are automatically regraded to the higher age group or division). Should a player have played up in a mixture of competitions (SYL and Divisional) in more than four (4) matches, the player's club is to advise football Brisbane who will rule on the player's eligibility.

7.3.3 Regrading Downwards

Clubs may request that a player be regraded downwards at any time. They must submit a request with the requested player's name, age and age group they wish to play into and the reason for the request.

If approved, Football Brisbane will then confirm the decision in writing to the club. Please note that until approval is provided, the player cannot participate in any lower grade matches as an eligible player.

7.4 Exemptions

Clubs may apply to Football Brisbane to allow an exemption to these rules in exceptional circumstances. The decision of Football Brisbane will be final on whether to allow an exemption.

7.5 Player Transfers During the Season

There is no restriction on what division a player is able to take part in should they change clubs during the fixture season subject to the Rules of Competition.

7.5.1 Penalties & Outcomes

If a player is found to have participated in a match while in breach of the grading, borrowing and regrading rules, the player will be deemed to be an ineligible player. The result of the match will be recorded as a 3-0 win in favour of the opposing team, unless the score at the end of the match was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team.

Legends League Specific Match Rules

Rules of Competition

Slide Tackles

No Slide Tackles are allowed (including Goalkeepers). A Slide Tackle occurs when two or more players are challenging for the ball and any of them “slide” for the ball. Any challenge not made on two feet is to be considered a Slide Tackle. There must be a slide AND a tackle before the challenge can be penalised, but there does not have to be contact between the players.

A player is considered to be challenging an opponent for the ball if the opponent is within a radius of **one (1) metre** of the player. These rules apply to a goalkeeper who chooses to play or attempts to challenge for the ball with her feet. They do NOT apply to a goalkeeper playing or attempting to play the ball with her hands.

Tackling from Behind

No tackling from behind is allowed.

Cautionable Offences (Yellow Cards)

If a player commits a Cautionable Offence (those listed in the Football Brisbane Disciplinary Policy as well as a slide tackle or a tackle from behind), then they must spend 10 minutes in the “sin bin” (off the field), with a replacement player permitted to take the field.

9.2 Field Lighting

Clubs wishing to host night fixtures during the season must submit certified field lighting audits upon request and have approval for competition play by Football Brisbane. Certification is based on an audit of the lighting system by a suitable consultant. The Club must pay the cost of the audit.

Recommendations for football field lighting detailed in the Australian Standard AS2560 Part 2.3 “Lighting for Football” includes: Minimum Service Luminance Lux (Average) 100 and Minimum Uniformity Ratio (Min: Ave) 0.5 for competition matches. Substitutes are permitted to warm up outside of the Technical Area, provided they are wearing bibs or an alternative coloured uniform to their and the opposition team strip. When warming up, substitutes should use an area furthest from the opposing team.

- Smoking or the consumption of alcohol within the confines of the playing barrier fence is strictly prohibited. This includes the team bench within the Technical Area and all of its occupants, including players, coaching staff, club marshals and officials.

9.4 Team Officials

Football Brisbane requires that all Team Officials have a passport-style photograph loaded into [FBgameday](#) every year as part of the Registration process. The photograph must be in accordance with Football Brisbane Photography Policy (see Appendix I).

Once correctly registered, Team Officials will be able to be selected for the virtual match sheet through [FBgameday](#). Team Officials must be selected on the virtual match sheet, to be allowed in the Technical Area.

If the situation arises where conditions deteriorate after **2:00pm**, clubs are to call the Wet Weather number (**0421 271 735**) to discuss the options – do **NOT** send an email.

If matches have not been postponed **by 5:00pm**, it is then the Referee's decision, on arrival, as to whether matches are to go ahead.

- **Notification Process for weeknight matches (including Friday night)**
Matches postponed will be listed in either the "**JUNIOR GROUND CLOSURES**" section and/or the "**SENIOR GROUND CLOSURES**" section (under "**Wet Weather**") on the Football Brisbane website (clubs will NOT be advised by SMS unless there are late postponements).

10.2 Saturday and Sunday cancellations

If the situation arises where conditions deteriorate after these times, clubs are to ring the Wet Weather Number (**0421 271 735**) to discuss the options – do **NOT** send an email.

If matches have not been postponed after following the above procedure, it is then the Referee's (this includes club referees) decision, on arrival, as to whether matches are to go ahead. Should the Referee postpone matches, the **HOME** club must notify (**by SMS**) the Wet Weather Number (**0421 271 735**).

Clubs will NOT be advised by SMS unless there are late postponements.

10.2.1 Penalties & Outcomes

If any **HOME** club does not abide by the Wet Weather Procedures, they will be deemed to have forfeited any matches that were due to be played on that particular day at their ground and will be fined (See Appendix II). The results of those matches will be recorded as a 3-0 win in favour of the opposing team, and the points will be awarded to the opposing team.

10.3 Complete Weekend Cancellation (Junior competitions ONLY)

In the event that Football Brisbane declares the cancellation of a complete fixture weekend due to extreme weather events, all fixtures may be declared as 0-0 draws.

Any matches which were completed during a "declared" weekend may be declared as 0-0 draws.

Football Brisbane may decide to play or replay any matches from a "declared" weekend as it sees fit.

10.4 Extreme Weather Conditions

In extreme weather conditions, Football Brisbane or the appointed Match Official reserves the right to postpone, delay or abandon any fixture. If the appointed Match Official postpones, delays or abandons any fixture, they must submit a report to Football Brisbane.

Match Officials

Rules of Competition

11.1 Non-Attendance of Match Official

Should the appointed Referee fail to honour their appointment, then the next most senior Match Official will be appointed to take charge of the fixture, provided they are qualified to officiate the match in question.

In the event the appointed Referee is late on arrival, then the replacement Match Official will take charge of the fixture until the appointed Referee is ready to take over.

In circumstances where only one Assistant Referee has been appointed, **the home team is requested to provide a Club Assistant to assist the Match Referee**. If necessary, the away Club may be asked to provide an Assistant. However, the game cannot start without two Assistants if the Referee requests them.

In circumstances where no Assistant Referees have been appointed, **the home team is requested to provide two Club Assistants to assist the Referee**. If necessary, the away club may be asked to provide an Assistant. Please note, the game should not start without 2 Assistants, however this decision will be at the Referee's discretion.

If non-attendance of a match official means that a match official under the age of 18 is the only match official, then that match official is not permitted to officiate in that match without Football Brisbane permission.

11.2 Unavailability of Match Official

In the event no registered Match Official is present to take charge of the fixture, then the designated "Home" club shall appoint a Match Official to take charge of the fixture. This Match Official has the same powers as a registered Match Official. Once a game has commenced, neither team can change their agreement to the appointed Match Official.

11.2.1 Senior Competitions

If the home team is unable to provide a Match Official, the away team may provide the Match Official. If neither team is able to provide a Match Official, they may choose to postpone the match. This should be advised to Football Brisbane as soon as possible. Both teams must agree within five (5) working days on a date for the rescheduling of the match and advise Football Brisbane. If a reschedule is not agreed upon within this time, a 0-0 draw may be recorded as the result of the match. Football Brisbane reserves the right to reschedule the match.

11.2.2 Junior Competitions

All clubs are obligated to fulfil all fixtures regardless of whether a Match Official is present to take charge.

Should any club fail or refuse to participate in any fixture on the above grounds, then the following will apply:

- The match will be recorded as a 3-0 win in favour of the opposing team, and the points will be awarded to the opposing team;
- The club will be fined per offence, and will be subject to further disciplinary action

In the event both teams refuse to play, Football Brisbane reserves the right to award a **NO RESULT**, fine both clubs and recommend further disciplinary action.
